## WCCS Science Fair

Yesterday WCCS held its annual science fair in the balcony of the gymnasium. The 6th grade students worked very hard for the past couple of months in preparation for this big event, and there were many very good projects. Ribbons were given to each student and winners were chosen from each category. The following are the winners: In Physical Science was Nash Morris for "What Fan Blades Are Most Efficient in Blowing Air?". In Earth Science the winner was Nathan Hawkins for "Will Flipping or Rolling an Egg Change the

Hatch Rate?" There were two winners in Product Testing because of the number of entries- Nathan Ward for " Does Deer 'Off ' Really Work?" and Sydney Lewis with "Does Temperature Change the Reaction of Alka Seltzer?"

Judges for the event were Dwight Cartmel, Vickie Clem, Sarajane Frock, Pastor Chuck Kiser, John Kline, and Patty Michael. Thank you to our judges!

### Shirts for Christmas

Christmas would be a good time for some of our boys to get new shirts that would be more appropriate for our school dress requirement. Our faculty has noticed an increasing number of boys who are not adhering to the expected standard as listed on page 24 of the student handbook. Parents, please be reminded of the style of shirt which is stated as:

*Shirts must be solid, pinstripe, or small checked. Golf/polo style shirts may be solid or accented with stripes. Shirts with large patterns, scenery, or loud, bright colors are not permitted. Shirts with lettering, pictures, or artwork are not permitted. Small insignias or company names on polo shirts are allowed.*

### Staff Christmas Gift

Each school family should have received a letter from board president, Jody Garrett, encouraging contributions for the annual Christmas gift. Contributions can be dropped off at the gift box in the main office.

### Team Parent Night

Parent/Grandparent Night for the Middle school girls is on Tuesday, 12/13. The parents will be recognized at half time of the middle boys game. Parent/Grandparent Night for the Middle school cheerleaders is Friday, 12/16.
