## Re-Enrollment Information

The 2012-13 re-enrollment information will be mailed this week to all school families. April 16 is the deadline for receiving the early enrollment discount.

It is very important for current students to enroll right away so plans can be made for accepting new students, as well as plans for classrooms, personnel, and curriculum materials.

Parents may re-enroll via InfoDirect. Detailed information on re-enrolling via InfoDirect is included in the re-enrollment packet.

## Elks Teen of the Month

Senior Matthew Kennedy is the December recipient of the Elks Teen of the Month Award! Each month area schools submit nominations of juniors and seniors, based on scholarship, leadership, character, service, and citizenship. The monthly winners (a boy and a girl) are then eligible to compete for the Elk's scholarship contest held in May. Congratulations, Matthew!

## George Washington

The school has recently received a beautiful canvas reproduction of the famous portrait of our first president George Washington by Rembrandt Peale. This framed painting was donated to many schools across America by the Mount Vernon

Ladies Association in honor of his contributions to the establishment of this great country. It came in time for the celebration of Washington's birthday February 22. Check it out in the gym lobby.

### School's Website

Have you visited the school's website recently? New items are added weekly to the Events page. Take time to check it out. The weekly bulletin is available on the Newsletters tab.

### Absences for Family Vacation

Parents who plan a family vacation during school days are required to get the absences pre-approved at least one week prior. There is a **Request for Planned Absence** form available in the school office that parents must complete and turn in to the office for approval. Without this completed and approved form, these absences will be considered unexcused and will carry the consequences of unexcused absences.

Information on family vacation absences is on pages 9-10 of the Secondary Handbook and on page 9 of the Elementary Handbook.

### SCRIP ORDERS

Don't forget to get your SCRIP cards for all your buying needs. The office has a great selection of cards on hand. Stop by today to get all the cards you need for your Valentine's Day shopping and dining out.

An order form is included with today's bulletin. Orders received by 9 a.m. on Monday morning will be ready for pick up on Thursday at the school.

Support WCCS by using SCRIP cards for everything you buy from groceries to gasoline to clothing.

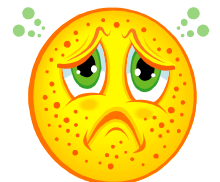

### AACS Poetry Winner

Each fall WCCS submits poems and essays from selected elementary and junior high students for the AACS state contest. This year 8<sup>th</sup> grader Alex McCauley was a state JH poetry winner with his poem "How to Have Peace," based on the contest theme "Questions and Answers." His poem was forwarded to compete in the AACS national competition. Good work, Alex!

### Student Illness

Students who have had a fever or vomiting in the past 24 hours should remain at home. A fever must be gone for 24 hours without medication before a student is permitted to return to school. A 24 hour period must pass following vomiting before a student is permitted to return to school.

The cooperation of parents is greatly appreciated in these matters so we can keep our student body and faculty healthy!

### SAT 10 Testing Reminder

The annual achievement testing will be March 19-23. Parents are reminded not to schedule any appointments during the morning hours. It is imperative that students be at school by 8:05 a.m. each morning in order to do their best on the achievement test.
